Some Great Yyppee Features:

- One App connects you to everything restaurants want to share with you.
- See Yelp, Google, and Trip Advisor ratings side by side.
- Create a favorites list city by city, state by state.
- Hear about and get access to every deal a restaurant has to offer.
- Quick search everything from food types to delivery to deals to birthday gifts and so much more.
- Let our GPS based display show you everything located near you.
- Get free food and drink items all month long during your birthday and anniversary months.
- Earn points in many ways that can be universally used for free food and drink items across all participating restaurants all over the US.
